There is an error at the following paper:

“Loop Patterns in Japan and Asia” by Shojiro Nagata in *Forma*, Vol. 30, No.1, pp. 19–33, 2015.

p. 30, the caption of Fig. 25:

The last sentence:

To trace a moving line-edge in an animation of a large Kolam, for example Kolam called Diamond carpet [5] makes also eye-muscle stretch.

should be changed to:

To trace a moving line-edge in an animation of a large Kolam with eyesight, for example the animation video of this Kolam “Kolam-1-15-1-withDiagonalCrossings.wmv” in <https://www.youtube.com/user/shonan0> or Kolam called Diamond carpet [5] makes eye-muscle stretch well.
